

WEST SALEM MHP

NOVEMBER 2020

If your home borders a public sidewalk, you need to shovel it within 24 hours of every snowfall. If not the village will do it and that will cost you around 150.00.

Due to the ongoing Covid-19 pandemic, we are still keeping the office closed; however, we are available by phone, text or email.

If you have trouble paying rent due to Covid, please contact me to discuss possible payment arrangements. Any payment plans must be in writing.

BE WELL and STAY SAFE!

Holiday Season office closures:

November 26 & 27 for Thanksgiving
December 24, 25 & 31st
January 1

Have a safe and happy holiday!

No parking on the street. If you park on the street the plow can't get close enough to your neighbors home for removal.

With winter upon us, please check to make sure your heat tapes are working.

If you have frozen pipes YOU will need to first check that your neighbor has water, if they do then YOU need to call a plumber.

We recommend, Berger Plumbing 608-797-4848 or Buchner Plumbing 608-784-9000. This is your responsibility and not the parks.

Please remember than any changes on the exterior of your home, must be pre-approved. This rule includes sheds. Remember only 1 shed per lot is allowed.

Please remember keep your things properly stored and don't allow them to just accumulate on your patio, carport or yard.

Thank you for your cooperation.
